SUVADI

Dear Friends

Greetings!

We are at the beginning of yet another Inner Wheel year. A new team takes over the reins of our District with full enthusiasm, great energy and commitment.

SUVADI, an entrepreneur directory is a compilation of all self-employed members of our District. Congratulations and kudos to District Editor elect Arasi Ponmozhi for bringing this book. Thanks to all the Inner Wheel Members for their contributions and providing timely information.

Let's enjoy Inner Wheel and leave a strong footprint.

Padma Preetha Sumanth
District Chairman 2017-18

Dear Friends

Its indeed a great honour and a privilege to serve as the Editor of the prestigious Inner Wheel District 323.

SUVADI the Business connect Directory, is my maiden work, but the second in the history of our District. The first edition was published in the year 1995-96 during the chairmanship of PIW Mrs.Kamala Ramakrishnan.

I am truly amazed to see the tremendous business acumen displayed by our members and the many successful enterprises they have established in diverse fields.

Suvadi is a compendium of information on these entrepreneurs, their products and services. It will help connect the producers of products and services and their potential customers.

I sincerely hope that Suvadi will **leave a lasting legacy** in the history of our District 323.

Suvadi also has the list of Blood Donors in our District.

I sincerely thank all the blood donors who have volunteered to register.

I owe my sincere thanks to Chairman Mrs.PadmaPreethaSumanth for having given me this opportunity and all the entrepreneurs who have registered in this directory.

A.T.Arasiponmozhi
District Editor 2017-18

Dear Chairman Padma Preetha

Congratulations! The very concept of publishing a directory of the District 323 members who are Entrepreneurs and their businesses is commendable.

I am sure this will facilitate more good will and bring forth success to the many enterprising members in our District.

Wishing you a glorious 2017-18, May success be yours at every turn in your path as the leader of this prestigious Inner Wheel District.

In Friendship

Azhagu Annamalai
International Inner Wheel Treasurer 2017-18

Dear Arasi

Congratulations on your pioneering work in compiling SUVADI - a directory of entrepreneurs from Inner Wheel.

I am positive this directory will be of great use and will flood readers with leads and help the advertisers to draw in high quality sales.

Best wishes to all

Latha Mahalingam
National Editor 2016 -17

Dear Friends

It gives me great pleasure to hear that a directory of Inner Wheel professionals- 'Suvadi' is being brought out by our District. I brought out a similar directory as a chairman. It listed Inner Wheel members who were dealing with products and services and I had felt that it could be of help to other members. It was a slim 16 page book that says a lot of how many were really involved with such activities then. Over the years I had felt we needed such a directory again as our membership has grown and our members are doing so much more. I congratulate Padma Preetha and Arasi for taking on this necessary task and I am sure this is going to be one thick book!

I wish this venture all success.
